Why are we special?

“Nicolae Titulescu” National College is the only general high-school in the northern part of the county and it is well known for the quality of its educational standards having an important impact upon the local communities to which the students belong. The education policy of the actual management insists on building a complex profile of the student, who, besides his knowledge, will develop learning abilities during his life. Our students and teachers take part in special extracurricular activities:

- 2010-2012: Comenius multilateral project “The Magic of Reading, the Power of Discovering Ourselves”, partners from Hungary, Turkey, Poland, Spain, Greece, Italy
- 2009-2011: Comenius multilateral project “Through Intercultural Dialogue, from Cultural Diversity, to Unity”, partners from Finland, Greece, Germany, Lithuania, Portugal and Turkey
- 2008-2010: Comenius multilateral project “Healthy School”, partners from Germany, Hungary, Italy, Portugal
- 2005-2007: Comenius 1 Project “Sustainable development in a democratic society, especially within the topic of youth and democracy”, partners from Hungary, Sweden, Spain, Poland
- 2006-2007: Comenius 1 Project “Through Drama and Music, to Children's Rights”, a language project, with a partner school from Lithuania
